

This year, Re-engage celebrates 60 years of reducing loneliness in later life, and we're excited to be planning the celebrations which will launch properly in April, marking the anniversary of the very first tea party way back in 1965. We're looking forward to celebrating this significant moment in our history alongside our volunteers, fundraisers, older people, supporters and staff.

We're busy pulling together plans for this year's annual survey and annual report, which always give us time to reflect on our strengths and successes and consider where there's space to adapt and improve. Read more about our plans for 2025 and beyond in the first of my brand-new monthly updates.

Best wishes, Jenny Willott CEO

As well as making a huge difference for older people experiencing loneliness, payroll giving offers tax benefits to you. Additionally, many companies match payroll gifts, meaning your donation could have twice the impact!
